

Alice S. Paik

Chief Strategic Advisory Officer, Brown Advisory

Alice is a partner, a member of the Executive Team, and serves as Chief Strategic Advisory Officer. In this role, she works with clients as a strategic advisor, providing advice to families, family offices, and institutions, while also serving as a thought leader in strategic advisory research, publications, and market development.

Prior to joining the firm, she worked as an advisor in the Wealth Management Group at Bernstein Global Wealth Management in Washington and in the private bank of J.P. Morgan.

Alice has been a WPO member since 2022.
